HIKE IN BAINSKLOOF

Hiking Trail

Join us for a professionally guided, full-day hike through the majestic Bainskloof. This scenic 10 km route, with a steady elevation gain, winds past crystal-clear natural pools and leads to a beautiful waterfall. Here we'll pause to relax, take in the fresh mountain air, and enjoy some of the finest scenery nature has to offer. Difficulty level: 6,5 out of 10

Perfect time of the year

Closer to the end of the year, which is the heart of spring in October & early summer in December, fynbos and proteas in the Western Cape are generally in full bloom, displaying a vibrant array of colors. This period marks the peak of the flower season in areas like the Limietberg area.

Basic Itinerary

On Saturday evening, we'll meet and enjoy a relaxed, lekker dinner together as a warm-up to the adventure ahead. The following morning, we meet at 06h30 at Eerste Tol, with the exact meeting point shared closer to the date. The hike will take approximately 4.5 hours to complete. After the hike, we'll travel together to Roots Bistro at Dunstone for a relaxed lunch (optional, but highly recommended). After lunch, guests are free to head home at their own leisure.
